

## dom7b9

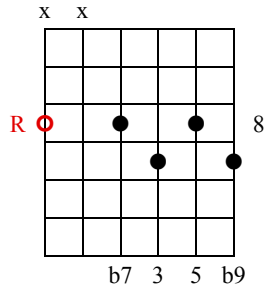

Akkorden dannes af tonerne i følgende tertsstabel:

R - 3 - 5 - b7 - b9

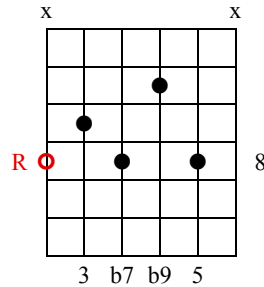

Bemærkning: dom7b9 svarer til dim7, når dom7b9 akkordens **R** udelades. Flyttes akkorden en lille terts op ad gribetrættet, får man samme akkord - ligesom for dim7; greb 2, 4, 8 og 9.
