

dom9sus4

Akkorden dannes af tonerne i følgende tertsstabel:

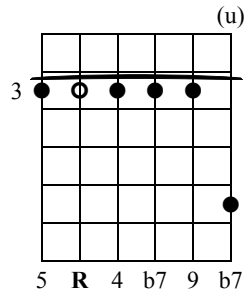

R - 4 - 5 - b7 - 9

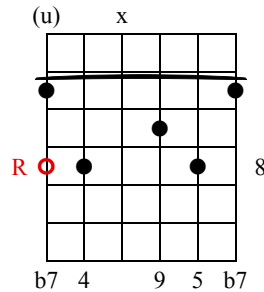

Bemærkning: Tertsen 3 suspenderes, og erstattes af kvarten 4. Tonen b7 slår så stærkt igennem, at den lyder som akkordens grundtone, hvorfor akkorden 'lyder' som en dur6add9 - med b7 som R.
